In case you're still having doubts about the B6ZE's significance (or struggling to remember what engine it is exactly), let us put it this way - without it, one of your favorite sports cars of all time wouldn't have

# Online Library B6ze Engine

existed. The B6ZE(RS) was developed specifically for the first-generation Mazda Miata - and that's why we just love it so much.

## Online Library B6ze Engine

Gaskets are the last part of the engine I will cover.

Mazda supplies most of the engines with good gaskets from the factory. There are exceptions to look at for a few of the engines like the FS engine in the 99-03

# Online Library B6ze Engine

Protege. The factory head gasket is ok, but better parts are available.
