Strategy: A History by Lawrence Freedman

"Strategy: A History, is an ambitious and sprawling book by a British military historian who has written widely, and very well, about nuclear and cold war strategy, the Falklands War, and contemporary military affairs, among other subjects... With admirable candor, Freedman tells us that he received the contract for this book in (gulp!) 1994, and that he made a 'number of false starts' with the manuscript.

Strategy: A History has to be the magnum opus of the academic life of Sir Lawrence Freedman. Rich in detail and deeply contextualising, this book is not only the longest but also the most diverse work in recent years on the evolution of strategy. The book is based on a life of scholarship as well as the most recent overviews on the topic.

Strategy: a History | Reviews in History

Review the history of strategy—the art of creating power—in this audio-only summary of the book by Sir Lawrence Freedman, a leading authority on war and strategic analysis. Freedman discusses the universality of strategic thinking and proceeds to lead readers on an expedition through the history of the Western world, tracing the development of strategic thought in warfare, politics, and business.

Strategy: A History (getAbstract Summary)

"Having a strategy suggests an ability to look up from the short term and the trivial to view the long term and the essential, to address causes rather than symptoms, to see woods rather than trees." — Lawrence Freedman, Strategy: A History 14 likes
