Tradition and Change in Administrative Law- An Anglo -

Administrative legal systems are based on national constitutional legal traditions and cultural values. English judges have for centuries applied the common law. In Germany, judges have developed administrative legal principles for the protection of the individual against state action. However, over the last few decades' Administrative legal systems have become less isolated.

Tradition and Change in Administrative Law- An Anglo -

Both, the English and the German Administrative legal systems are increasingly faced with the question of how to balance the dynamics of change with the preserving forces of tradition. Here, the...

Tradition and change in administrative law : an Anglo-German comparison. [Martina Künnecke] -- Administrative legal systems are based on national constitutional legal traditions and cultural values. There is a growing need for comparative material and analysis in Administrative law.

Tradition and change in administrative law - an Anglo -

Both, the English and the German Administrative legal systems are increasingly faced with the question of how to balance the dynamics of change with the preserving forces of tradition. Here, the open attitude of judges and lawmakers in considering solutions offered elsewhere is a remarkable development in a field of law which has long been perceived as too nationally specific.

Tradition and Change in Administrative Law | Springer Link

This chapter explores the idea of a 'tradition' of comparative administrative law (CAL) in the trans-Atlantic Anglosphere. It first deals with a period from the early eighteenth to the late nineteenth century. At this time, Western comparative public law was predominantly an Anglo-European affair. The chapter next focuses on a period between about 1880 and 1940, a time of heavy ...

Tradition and Public Administration | Martin Painter, B -

It is a common belief that 'administrative law' is a recent development in the Anglo-American tradition. This is mistaken. The Anglo-American tradition is not premised on the existence of a separate set of courts to adjudicate on public law matters, as is common within civilian jurisdictions. To reason from this premise, to the conclusion that there was, until recently, no administrative law is a non sequitur. English law has exercised procedural and substantive controls over the ...

2018 News - Edmeston, NY

Research on managerial cognition and on organizational capabilities has essentially developed in two parallel tracks. We know much from the resource-based view about the relationship between capabilities and organizational performance. Separately, managerial cognition scholars have shown how interpretations of the environment shape organizational responses. Only recently have scholars begun to ...
