### Trigonometry For Dummies - Mary Jane Sterling - Google Books

The big problem with the workbook, and to a lesser extent with the "Trigonometry for Dummies" book, is the large number of errors in the book. One works out a very complicated identity problem only to find that the stated problem is different from the problem answered due to typographical errors.

### Amazon.com: Customer reviews: Trigonometry For Dummies

Online I found a copy of Geometry & Trigonometry for Calculus by Peter H Selby. I found this book to be an excellent and well written text for learning and how to apply and use the trig functions. I gave Trigonometry for Dummies a 0ne star rating only because that was the lowest rating. This book deserves a two black hole rating.
